Adult Christian Life

God's love for us is evident in Scripture from the creation of the first humans through God's constant interactions with individuals and groups of people in their historical circumstances and developments. A survey of select Old and New Testament Scriptures reveals dynamic and encouraging aspects of God's constant love for humankind. **Unit I**, "God's Eternal, Preserving, and Renewing Love," has four lessons from the books of 1 John, Ephesians, John, and Joel depicting God's love for humans as primary and as the source

Bible Study Exposition

Instructors: Rev. Leo Verret Jr./ Sis G. Carrington

Location – LL2a

This class is studying from the book of Hebrews; Hebrews is a masterful document written to Jews who were evaluating Jesus or who were struggling with the Christian faith. The message of Hebrews is that Jesus is better, Christianity is superior, and Christ is supreme and completely sufficient for salvation. As you read Hebrews, catch the profound message of this important book. Judaism may not be calling you back, but many other gods and belief systems clamor for attention and push for allegiance. Regardless of their claims and promises, know that only Jesus is the truth, and only he brings life. Jesus is the best, the only way (John 14:6). Don't settle for anything less!

God's "secret" intention is revealed: 1) to form a body to express Christ's fullness on Earth; 2) to do this by uniting one people—both Jew and Gentile, and 3) to equip, empower, and mature this people to the end that they extend Christ's victory over evil.

It's What's Insider that Counts: A Bible Study on Spiritual Gifts

Everyone loves to receive gifts. Big boxes. Brightly colored paper. Fancy bows. Whether it's Christmas, your birthday, or some other occasion, there is something personal and wonderful about opening a gift that has been picked out just for you. God has a gift for you, one more precious than anything you have ever been given. He has given you a spiritual gift (1 Cor. 12:7-11). Spiritual gifts are more than mere talents, like singing or being a good athlete. Spiritual gifts are special abilities God gives each of His children to enable them to serve Him and His church. If you are a Christian, your gift is already inside you, whether you realize it or not. In this study we will explore 1 Corinthians 12–13 to gain a better understanding of: what spiritual gifts are, why your gift matters, how your gift fits into God's plan, and how love is essential as you use your gift.
